

CLUB EQUIPMENT AGREEMENT WITH ROW NOVA SCOTIA

The _____ Club agrees to allow Row Nova Scotia (Row NS) to utilize rowing equipment from the club for purposes of training and racing competition. The equipment listed can be utilized from _____ to _____ for use at the _____ event. Thereafter a new agreement must be reached by the Club and Row NS.

The equipment the club agrees to lend to Row Nova Scotia is:

In consideration of the use of the above equipment Row NS agrees to return the equipment in a reasonable state of wear. Failure to do so will obligate Row NS to pay for the repair of the equipment. If any equipment is damaged due to the usage by the Provincial Team or while left in an unsecure area while under the control of Row NS, Row NS will compensate the club up to the amount of the repair, to a maximum of \$2,000 **OR** the value of the boat at current appraised value, whichever is less. If boat costs are in excess of \$2,000 or the appraised value of the boat, or repairs are done in conjunction with an insurance claim, Row NS will pay the deductible amount of the clubs insurance, and has no liability to increased insurance premiums. In the event of a total loss Row NS may choose to cover the cost of a replacement that will be the same brand, age and size as the original or as agreed to by Row NS and the club.

Additional notes:

- Scheduled Row NS Provincial Team practice times shall be established prior to the practice session and in consultation with the Club Representative.
- Row NS Provincial Team will have priority over the above equipment during pre-scheduled team practice times.
- Equipment rigging shall not be altered except where the Club Representative is consulted and authorizes the changes in rigging.
- If any equipment rigging is altered, it must be returned to the original rigging configuration after each practice session and after any events.

I have read and understand and agree to the above:

Club Representative (Print Name)	Signature	Date
